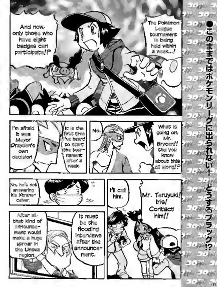
最新41巻発売中!!



The Pokémon League tournament is being held within a week...!
And now, only those who have eight badges can participate!?
What is going on, Mr. Brycen!! Did you know about this all along!?
No.
It is the first time I've heard to start the tournament after a week.
I'm afraid it was Mayor Drayden's own decision.
Mr. Teruyuki! Irie! Contact him!!
I'll call him.
No, he's not answering his Xtransceiver.
It must be the flooding interviews after the announcement.
After all, that kind of announcement would make a huge uproar in the Unova region.

●このままではポケモンリーグに出られない！どうするブラック⁉

ストーリー

ダークストーンを巡り対立するジムリーダーたちとプラズマ団。プラズマ団に操られたジムリーダーたちを救うための最後の修行で、ブラックはハチクに勝利！しかし、バッジがあと一つたりないブラックは、1週間後に迫ったポケモンリーグに出場できない…!?

ブラック

Darn it..! What should I do... What should I do now...
League tournament starts within a week. Can't compete with only 7 badges. There's not enough time. League tournament starts within a week. Can't compete with only 7 badges. There's not enough time. What in the world was that!? What in the world was Drayden thinking!!
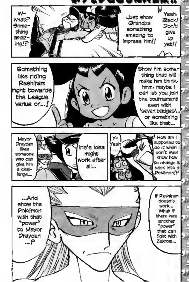
What in the world does that 'truth' correspond with 'ideals'!? What in the world is this Reshiram for!!
What in the world...!!
Black! Stop it now!!

ポケモンとともに大冒険!!



Yeah, Black! Don't give up yet!!
Just show Grandpa something amazing to impress him!!
W-what? Something amazing!?
Show him something that will make him think, hmm, maybe I can let you join the tournament even with 'seven badges'... or something like that...
Something like riding Reshiram right towards the League venue or...!
How am I supposed to do it when I don't even know how to change it back into a Pokémon!?
Y-Yeah
Ine's idea might work after all...
Mayor Drayden likes someone who can give him a challenge...
If Reshiram doesn't work... What if there was another "power" that can fight with Zekrom...
...And show the Pokémon with that "power" to Mayor Drayden ...?
